

**TERMS AND CONDITIONS FOR WARRANTS 2026/2029
FOR SUBSCRIPTION OF NEW SHARES IN CIBUS NORDIC REAL ESTATE AB (PUBL)**

§ 1 DEFINITIONS

In these terms and conditions, the following terms shall have the meanings stated below.

"Share"	a share in the Company;
"Shareholder"	a shareholder in the Company;
"Central Securities Depository Company"	a company whose articles of association contain an article stating that the company's shares must be registered in a central securities depository register and whose shares are registered through Euroclear;
"Central Securities Depository Account"	an account with Euroclear for registering such financial instruments as referred to in the Swedish Central Securities Depositories and Financial Instruments Account Act (SFS 1998:1479);
"Banking Day"	any day in Sweden which is not a Sunday or other public holiday, or which, with respect to payment of promissory notes, is not equated with a public holiday in Sweden;
"Company"	Cibus Nordic Real Estate AB (publ), Corp. Reg. No. 559135-0599;
"Euroclear"	Euroclear Sweden AB;
"Actual Share Price"	means the Share's average share price during a period as set out in section 3.B;
"Marketplace"	Nasdaq Stockholm or another equivalent regulated or non-regulated market;
"Warrant Holder"	any person who is a holder of a Warrant entitling to Subscription for new Shares;
"Warrant"	the right to subscribe for new Shares in exchange for payment in cash;
"Subscription"	such Subscription for new Shares exercised through a Warrant;
"Subscription Price"	the price at which Subscription for new Shares may take place;
"Warrant Certificate"	a certificate which is linked to a certain number of Warrants in accordance with these terms and conditions; and
"Subscription Period"	the period during which Warrants may be exercised for Subscription of Shares in accordance with section 3.A.

§ 2 WARRANTS

The total number of Warrants shall be not more than 487,500. The Warrants are represented by Warrant Certificates. Warrant Certificates are issued to a certain person or to order.

In the event the Company is a Central Securities Depository Company, the Board of Directors of the Company shall be entitled to resolve that the Warrants be registered on a Central Securities Depository Account. In the event such resolution is adopted, no Warrant Certificates or other securities shall be issued. At the request of the Company, Warrant Holders shall be obliged to surrender immediately to the Company all Warrant

Certificates representing Warrants and to provide the Company with the requisite details of the securities account on which the Warrant Holder's Warrants are to be registered.

In the event the Board of Directors of the Company adopts a resolution in accordance with the second paragraph above, subject to any applicable statutory or regulatory limitations, the Board of Directors shall thereafter be unrestricted to resolve that the Warrants are no longer to be registered on a Central Securities Depository Account.

§ 3 RIGHT TO SUBSCRIBE FOR NEW SHARES

A. General

The Warrant Holder shall be entitled to subscribe for one new Share for each Warrant during a two-week period from the day following the press release of the Company's interim report for the period of 1 April – 30 June 2029, but no earlier than 13 July 2029 and no later than 5 September 2029 (or from and including the later day which may follow from section 3.B below or up to and including such earlier or later date as may follow from section 8 below). If a Warrant Holder is hindered from exercising their Warrants for Subscription of Shares during the subscription period under this section 3 or section 8 below due to applicable insider regulation, the Company shall be entitled to approve of such Warrant Holder exercising their Warrants for Subscription of Shares once the Warrant Holder is no longer hindered to do so, however, no later than 30 calendar days after the hindrance has ceased.

The Subscription Price per Share upon exercise of the Warrants shall be an amount in SEK corresponding to 110 percent of the calculated average volume-weighted price paid for the Share on Nasdaq Stockholm during the period from and including 24 April 2026 up until and including 2 May 2026, rounded to the nearest ten cent (Sw. *öre*) whereby five (5) cent shall be rounded up to ten cent¹. If the Company has inside information during this period, the Board of Directors shall have the right to postpone the measurement period. The Subscription Price may not be lower than the current quota value of the Share.

If the calculated average volume-weighted price paid for the Company's Share on Nasdaq Stockholm during the five trading days that occur immediately before the Subscription Period exceeds a value of 150 percent (the "**Cap**") of the calculated average volume-weighted price paid for the Share on Nasdaq Stockholm during the period from and including 24 April 2026 up until and including 2 May 2026, rounded to the nearest ten cent whereby five (5) cent shall be rounded up to ten cent, a recalculated lower number of Shares to which each Warrant entitles to Subscription of shall apply.

Recalculation shall be carried out by a reputable independent valuation institute according to the following formula:

$$\begin{array}{l} \text{recalculated number of} \\ \text{Shares that each Warrant} \\ \text{entitles to Subscription of} \end{array} = \frac{\text{Previous number of Shares that each Warrant entitles to subscription} \\ \text{x (a value of 150 percent of the Share's average price during the period} \\ \text{from and including 24 April 2026 up until and including 2 May 2026,} \\ \text{reduced by the Subscription Price)}}{\text{The average share price during the five days that occur immediately} \\ \text{before the Subscription Period reduced by the Subscription Price}}$$

¹ The subscription price may be recalculated to euro based on the official SEK/EUR rate of the Swedish Central Bank.

The Subscription Price, as well as the number of new Shares to which each Warrant entitles to Subscription of, may also be recalculated in the cases set forth in sections 3.B and 8 below. In cases where recalculation takes place in accordance with section 8 below, the Cap shall also be recalculated so that the economic effects of the value limitation set out in the third paragraph of this section 3.A remain unchanged in relation to the recalculated number of Shares that each Warrant entitles to Subscription of as well as the recalculated Subscription Price.

Warrant Holders shall have the right to request recalculation of the Subscription Price and the number of Shares that each Warrant entitles to Subscription of in accordance with section 3.B below (the "**Alternative Exercise Model**"). The Warrant Holder shall notify the Company of the request for such recalculation. In case of such recalculation, the Cap shall also be recalculated to ensure that the economic effects of the Cap remain unchanged. Warrant holders shall only be entitled to request recalculation of the Subscription Price under the Alternative Exercise Model if the Subscription Price under this section 3.A is lower than the Actual Share Price.

B. Alternative Exercise Model

If a Warrant Holder requests recalculation in accordance with this section 3.B, the Warrant Holder shall have the right to, for each Warrant, subscribe for such a number of Shares as follows from this section 3.B, but in no event more than one (1) Share subject to any recalculation in accordance with section 8 below, at a Subscription Price corresponding to the at any time applicable quota value.² The Subscription Price may not be lower than the current quota value of the Share.

Recalculation of the number of Shares that each Warrant entitles to Subscription of shall be performed by the Company according to the following formula:

$$\begin{aligned} \text{recalculated number of} & & & \text{The Share's average price during a period of 5 trading days after} \\ \text{Shares to which each} & & & \text{the first day of the Subscription Period during which the Warrants} \\ \text{Warrant provides an} & = & & \text{are exercised for Subscription ("**Actual Share Price**") reduced by} \\ \text{entitlement to subscribe} & & & \text{the Subscription Price} \\ & & & \hline & & & \text{Actual Share Price reduced by the Share's quota value.} \end{aligned}$$

The Share's average price shall, in this section 3.B, be deemed to correspond to the average of the calculated average value, for each trading day during the Subscription Period, of the highest and lowest transaction prices listed during the day in accordance with the official quotations on the Marketplace. In the event no transaction price is quoted, the bid price which is quoted as the closing price shall instead be included in the calculation. Days on which neither a transaction price nor a bid price is quoted shall not be included in the calculation.

Subscription of Shares through the exercise of Warrants after recalculation in accordance with this section 3.B may take place at the earliest from and including the sixth trading day after the first day of the Subscription Period during which the Warrants are exercised for Subscription.

If recalculation of the Subscription Price and the number of Shares that each Warrant entitles to Subscription of shall take place or has taken place in accordance with section 8 below when the Warrant Holder requests recalculation using the formula for the Alternative Exercise Model, and if the result would lead to an unreasonable financial compensation received by the Warrant Holder in relation to the Shareholders, the Company's Board of Directors shall instruct an independent valuer to carry out a recalculation in order for the result to be reasonable.

² The subscription price may be recalculated to euro based on the official SEK/EUR rate of the Swedish Central Bank.

The Company undertakes to be responsible in relation to each Warrant Holder to give the Warrant Holder the right to subscribe for Shares against cash payment on the terms set out herein.

§ 4 SUBSCRIPTION OF SHARES

The following shall apply in the event the Company is a Central Securities Depository Company and the Warrants are registered on a Central Securities Depository Account. The Warrants may be exercised through a written application for Subscription to the Company or to the designated Account Operator (i.e. a company approved by Euroclear to execute registrations on a VPC account).

In the event the Company is not a Central Securities Depository Company or if the Warrants are not registered on a Central Securities Depository Account, the Warrants may be exercised through a written application for Subscription to the Company, stating the number of Warrants which are to be exercised. In conjunction with a Subscription, the Warrant Holder shall, where applicable, surrender corresponding Warrant Certificates to the Company.

The number of Shares that may be subscribed for shall be rounded down to the nearest whole Share.

§ 5 PAYMENT

Simultaneously with the Subscription, payment in cash shall be made for the number of Shares to which the Subscription relates.

§ 6 ENTRY IN THE SHARE REGISTER, ETC.

In the event the Company is a Central Securities Depository Company at the time of Subscription, Subscription shall be effected through the Company ensuring interim registration of the new Shares on a Central Securities Depository Account. Following registration with the Swedish Companies Registration Office, the registration on a Central Securities Depository Account shall become final. As stated in section 8 below, in certain cases the date of such final registration on a Central Securities Depository Account may be postponed.

In the event the Company is not a Central Securities Depository Company at the time of Subscription, Subscription shall be effected by the new Shares being entered as Shares in the Company's share register and subsequently being registered at the Swedish Companies Registration Office.

§ 7 ENTITLEMENT TO DIVIDENDS

In the event the Company is a Central Securities Depository Company, Shares which are newly issued following Subscription shall carry an entitlement to participate in dividends for the first time on the record date for dividends which occurs after Subscription of Shares is effected, as a consequence of subscription through the exercise of Warrants.

In the event the Company is not a Central Securities Depository Company, Shares which are newly issued following Subscription shall carry an entitlement to participate in dividends at the first General Meeting following the date which occurs after Subscription is effected.

§ 8 RECALCULATION OF SUBSCRIPTION PRICE, ETC.

In the following situations, the following shall apply with respect to the rights which shall vest in Warrant Holders.

Recalculation according to the provisions in this section 8 shall under no circumstances cause the Subscription Price to be less than the quota value of the Company's Shares.

A. Bonus issue

In the event the Company carries out a bonus issue, where Subscription is made in such time that it cannot be effected by no later than three weeks prior to the General Meeting at which a bonus issue resolution is to be adopted, Subscription may be effected only after such a General Meeting has adopted a resolution thereon. Shares which vest as a consequence of Subscription effected following the bonus issue resolution shall be the subject of interim registration on a Central Securities Depository Account, and accordingly shall not be entitled to participate in the bonus issue. Final registration on a Central Securities Depository Account shall take place after the record date for the bonus issue.

In the event the Company is not a Central Securities Depository Company at the time a new issue resolution is adopted by the General Meeting, Shares which vest as a consequence of Subscription effected through the new Shares being entered in the Company's share register as interim shares on the date of the General Meeting's resolution, shall be entitled to participate in the new issue.

In the case of Subscription which is effected following a bonus issue resolution, a recalculated Subscription Price shall be applied, as well as a recalculation of the number of Shares to which each Warrant provides an entitlement to Subscribe.

The recalculations shall be made by the Company based on the following formulae:

$$\begin{array}{l} \text{recalculated Subscription Price} \\ \text{recalculated number of Shares to which each Warrant provides an entitlement to subscribe} \end{array} = \frac{\begin{array}{l} \text{previous Subscription Price x number of Shares prior to the bonus issue} \\ \text{previous number of Shares to which each Warrant provides an entitlement to subscribe x the number of Shares after the bonus issue} \end{array}}{\begin{array}{l} \text{number of Shares after the bonus issue} \\ \text{number of Shares prior to the bonus issue} \end{array}}$$

A recalculated Subscription Price and recalculated number of Shares in accordance with the provisions above shall be determined as soon as possible after the General Meeting has adopted a bonus issue resolution but, where applicable, shall be applied only after the record date for the bonus issue.

B. Reverse share split or share split

In the case of a reverse share split or share split of the Company's existing Shares, the provisions in subsection A shall apply mutatis mutandis whereupon, where appropriate, the record date shall be deemed to be the day on which a reverse share split or share split takes place at Euroclear, upon request by the Company.

C. New issue of Shares

In the case of a new issue with pre-emption rights for the shareholders to subscribe for new Shares in exchange for cash payment or payment by way of set-off, the following shall apply with respect to the right to participate in the new issue by virtue of Shares which have vested as a consequence of Subscription through the exercise of Warrants:

- a) Where a new issue resolution is adopted by the Company's Board of Directors subject to approval by the General Meeting or pursuant to authorisation granted by the General

Meeting, the resolution, and where applicable, the notification to the Shareholders in accordance with Chapter 13 Section 12 of the Companies Act, shall state the date by which Subscription must be effected in order that Shares which vest as a consequence of Subscription shall carry an entitlement to participate in the new issue.

- b) Where the General Meeting adopts a new issue resolution, in the event an application for Subscription is made at such a time that the Subscription cannot be effected no later than three weeks prior to the General Meeting which adopts the new issue resolution, Subscription shall only be effected after the Company has carried out recalculations. Shares which vest as a consequence of such Subscription shall be the subject of interim registration on a Central Securities Depository Account, and consequently shall not be entitled to participate in the new issue. Final registration on a Central Securities Depository Account shall take place only after the record date for the issue.

In the event of Subscription which is effected at such time that a right to participate in the new issue does not vest, a recalculated Subscription Price shall be applied, as well as a recalculation of the number of Shares to which each Warrant provides an entitlement to Subscribe.

The recalculations shall be made by the Company based on the following formulae:

$$\begin{aligned} \text{recalculated Subscription Price} &= \frac{\text{previous Subscription Price x the Share's average listed price during the subscription period established in the new issue resolution (the Share's average price)}}{\text{the Share's average price increased by the theoretical value of the Warrant calculated on the basis thereof}} \\ \text{recalculated number of Shares to which each Warrant provides an entitlement to subscribe} &= \frac{\text{previous number Shares to which each Warrant provides an entitlement to subscribe x the Share's average price increased by the theoretical value of the Warrant calculated on the basis thereof}}{\text{the Share's average price}} \end{aligned}$$

The Share's average price shall, in this subsection C, be deemed to correspond to the average of the calculated average value, for each trading day during the Subscription Period, of the highest and lowest transaction prices listed during the day in accordance with the official quotations on the Marketplace. In the event no transaction price is quoted, the bid price which is quoted as the closing price shall instead be included in the calculation. Days on which neither a transaction price nor a bid price is quoted shall not be included in the calculation.

The theoretical value of the subscription right shall be calculated in accordance with the following formula:

$$\text{value of the subscription right} = \frac{\text{the maximum number of new Shares which may be issued pursuant to the new issue resolution x the Share's average price less the subscription price for the new Share}}{\text{the number of Shares prior to adoption of the new issue resolution}}$$

In the event a negative value is thereupon obtained, the theoretical value of the subscription right shall be set at zero.

The recalculated Subscription Price and the recalculated number of Shares provided by each Warrant shall be determined by the Company two Banking Days after the expiry of the subscription period and shall be applied to Subscription for Shares effected thereafter.

In the event the Company's Shares are not listed or traded on a Marketplace, a recalculated Subscription Price and recalculated number of Shares shall be determined in accordance with this subsection C. In lieu of the provisions regarding the Share's average price, the value of the Share shall thereupon be determined by an independent valuer appointed by the Company.

In the event the Company is a Central Securities Depository Company the following shall apply. During the period pending determination of a recalculated Subscription Price and recalculated number of Shares to which each Warrant provides an entitlement to subscribe, Subscription for Shares shall be effected only on a preliminary basis, whereupon the number of Shares to which each Warrant provides an entitlement to subscribe prior to the recalculation shall be registered on an interim basis on a Central Securities Depository Account. In addition, it is specifically noted that, following recalculations, each Warrant may carry an entitlement to additional Shares pursuant to section 3 above. Final registration on the Central Securities Depository Account shall take place after the recalculations have been determined.

In the event the Company is not a Central Securities Depository Company, Subscription shall be effected through the new Shares being entered in the share register as interim shares. After the recalculations have been determined, the new Shares shall be entered in the share register as shares.

D. Issue of convertible instruments or warrants

In the event of an issue of convertible instruments or warrants with pre-emption rights for the Shareholders and in exchange for cash payment or payment by way of set-off or, with respect to warrants, without payment, the provisions of subsection C, first paragraph, subparagraphs 1 and 2 regarding the right to participate in a new issue by virtue of Shares which vest through Subscription shall apply mutatis mutandis.

In the event of Subscription for Shares which is exercised at such a time that Subscription is effected after adoption of the issue resolution, a recalculated Subscription Price and recalculated number of Shares provided by each Warrant shall be applied.

The recalculation shall be made by the Company in accordance with the following formulae:

$$\begin{aligned}
 \text{recalculated Subscription Price} &= \frac{\text{previous Subscription Price x the Share's average listed price during the subscription period established in the resolution regarding the issue (the Share's average price)}}{\text{the Share's average price increased by the value of the subscription right}} \\
 \\
 \text{recalculated number of Shares to which each Warrant provides an entitlement to subscribe} &= \frac{\text{previous number of Shares to which each Warrant provides an entitlement to subscribe x the Share's average price increased by the value of the subscription right}}{\text{the Share's average price}}
 \end{aligned}$$

The Share's average price shall be calculated in accordance with subsection C above.

The value of the subscription right shall be deemed to correspond to the calculated value with adjustments for the new share issue and the market value calculated in accordance with subsection C above.

The recalculated Subscription Price and the recalculated number of Shares provided by each Warrant shall be determined by the Company two Banking Days after the expiry of the subscription period and shall be applied to Subscription for Shares effected thereafter.

In the event the Company's Shares are not listed or traded on a Marketplace, a recalculated Subscription Price and recalculated number of Shares shall be determined in accordance with this subsection D. In lieu of the provisions regarding the Share's average price, the value of the Share shall thereupon be determined by an independent valuer appointed by the Company.

In the event of Subscription for Shares which is effected before the recalculated Subscription Price and the recalculated number of Shares provided by each Warrant have been determined, the provisions of subsection C last paragraph above shall be applied.

E. Offer to the shareholders in circumstances other than those set forth in subsections A-D

In the event the Company, in circumstances other than those set forth in subsections A-D above, extends an offer to the shareholders, subject to shareholders' pre-emption rights pursuant to the principles set forth in the Companies Act, to acquire securities or rights of any kind from the Company, in the event of Subscription which is demanded at such time that the Shares thereby received do not carry an entitlement to participate in the offer, a recalculated Subscription Price and recalculated number of Shares to which each Warrant provides an entitlement to subscribe shall be applied. The aforesaid shall also apply where the Company resolves, in accordance with the aforementioned principles, to distribute securities or rights to the shareholders without consideration.

The recalculations shall be carried out by the Company in accordance with the following formulae:

recalculated Subscription Price	=	$\frac{\text{previous Subscription Price} \times \text{the Share's average listed price during the application period established in the offer (the Share's average price)}}{\text{the Share's average price increased by the value of the right to participate in the offer (the purchase right value)}}$
recalculated number of Shares to which each Warrant provides an entitlement to subscribe	=	$\frac{\text{previous number of Shares to which each Warrant provides an entitlement to subscribe} \times \text{the Share's average price increased by the purchase right value}}{\text{the Share's average price}}$

The Share's average price shall be calculated in accordance with subsection C above.

In the event the shareholders have received purchase rights and trading has taken place in such rights, the value of the right to participate in the offer shall be deemed to correspond to the purchase right value. The purchase right value shall, as far as possible, be determined on basis of the changed market value of the Company's Shares which can be deemed have occurred due to the offer.

In the event the shareholders have not received purchase rights, or trading in purchase rights has otherwise not taken place, the recalculation of the Subscription Price shall take place applying, as far as possible, the principles

stated above. The purchase right value shall, as far as possible, be determined on basis of the changed market value of the Company's Shares which can be deemed have occurred due to the offer.

The recalculated Subscription Price shall be determined by the Company as soon as possible after expiry of the offer period and applied in conjunction with Subscriptions effected after the recalculated price has been determined.

In the event the Company's Shares are not listed or traded on a Marketplace, a recalculated Subscription Price and recalculated number of Shares shall be determined. In lieu of the provisions regarding the Share's average price, the value of the Share shall thereupon be determined by an independent valuer appointed by the Company.

In the event of Subscription for Shares which is effected before the recalculated Subscription Price and the recalculated number of Shares provided by each Warrant have been determined, the provisions of subsection C last paragraph above shall be applied.

F. New issue or issue of convertible debentures or warrants

In the event of a new issue or issue of convertible debentures or warrants with pre-emption rights for the shareholders, in exchange for cash payment or payment by way of set-off or, with respect to warrants, without payment, the Company may decide to grant all Warrant Holders the same pre-emption rights as vest in the shareholders pursuant to the resolution. Notwithstanding that Subscription for Shares pursuant to Warrants has not been effected, each Warrant Holder shall thereupon be deemed to be the owner of the number of Shares which the Warrant Holder would have received had Subscription for Shares been effected at the Subscription Price and the number of Shares to which each Warrant provided an entitlement to subscribe, as applicable on the date on which the resolution regarding the offer was adopted.

In the event the Company resolves to extend to the shareholders such an offer as referred to in subsection E above, the provisions of the preceding paragraph shall apply mutatis mutandis. The number of Shares which Warrant Holders shall be deemed to own shall thereupon be determined based on the Subscription Price and the number of Shares to which each Warrant provided an entitlement to subscribe, as applicable on the date on which the resolution regarding the offer was adopted.

In the event the Company decides to grant the Warrant Holders pre-emption rights in accordance with the provisions of this subsection F, no recalculation of the Subscription Price shall take place pursuant to subsections C, D or E.

G. Dividend to the shareholders

Should the Company resolve on cash dividend to the Shareholders whereby the Shareholders receive dividend which, together with dividends resolved during the same financial year, deviates from the dividends forecasted and used to determine the warrant premium when transferring the Warrants, a recalculated Subscription Price shall apply. Recalculation shall be made by the Company. Recalculation shall be based on the entire relevant deviation. Such recalculation of the Subscription Price shall be made prior to each occasion on which Warrant Holders are entitled to exercise the Warrant for the subscription of Shares and shall take into account each financial year in which a resolution has been made that entails a deviation. Recalculation shall be made using the same valuation method (Black & Scholes model) and with the same input values used to determine the warrant premium for the Warrants, except that forecast dividends shall be replaced by actual dividends.

H. Reduction in the share capital with repayment to the shareholders

In the event of a reduction in the share capital with repayment to the Shareholders, a recalculated Subscription Price and a recalculated number of Shares provided by each Warrant shall be applied.

The recalculation shall be carried out by the Company in accordance with the following formulae:

$$\text{recalculated Subscription Price} = \frac{\text{previous Subscription Price} \times \text{the Share's average listed price during a period of 25 trading days calculated commencing the day on which the Shares were listed without the right to participate in the repayment (the Share's average price)}}{\text{the Share's average price increase by the amount repaid per Share}}$$

$$\text{recalculated number of Shares to which each Warrant provides an entitlement to subscribe} = \frac{\text{previous number of Shares to which each Warrant provides an entitlement to Subscribe} \times \text{the Share's average price increase by the amount repaid per Share}}{\text{the Share's average price}}$$

The Share's average price shall be calculated in accordance with subsection C above.

In the event of a recalculation pursuant to the above and where the reduction takes place through redemption of Shares, instead of using the actual amount which is repaid per Share, a calculated repayment amount shall be used as follows:

$$\text{calculated repayment amount per Share} = \frac{\text{the actual amount repaid per redeemed Share less the Share's market value during a period of 25 trading days immediately preceding the day on which the Shares were listed without an entitlement to participate in the reduction (the Share's average price)}}{\text{the number of Shares in the Company which form the basis of redemption of a Share less 1}}$$

The Share's average price shall be calculated in accordance with subsection C above.

The recalculated Subscription Price and the recalculated number of Shares provided by each Warrant shall be determined by the Company two Banking Days after the expiry of the stated period of 25 trading days and shall be applied to Subscriptions effected thereafter.

In conjunction with Subscriptions which are effected during the period pending determination of a recalculated Subscription Price and recalculated number of Shares to which each Warrant provides an entitlement to Subscribe, the provisions of subsection C, final paragraph above, shall apply mutatis mutandis.

In the event the Company's Shares are not listed or traded on a Marketplace, a recalculated Subscription Price and recalculated number of Shares shall be determined. In lieu of the provisions regarding the Share's average price, the value of the Shares shall thereupon be determined by an independent valuer appointed by the Company.

In the event that the Company's share capital is to be reduced through redemption of Shares with repayment to the shareholders and such reduction is not mandatory, or where the Company is to carry out a repurchase of its Shares – without a reduction in the share capital – but where, in the Company's opinion, in light of the technical structure and economic effects thereof the measure is comparable to a mandatory reduction, a recalculation of

the Subscription Price and number of Shares to which each Warrant provides an entitlement to Subscribe shall be carried out applying, as far as possible, the principles stated above.

I. Appropriate recalculation

In the event that the Company carries out any measure as referred to in subsections A-E, G, H or M and where, in the Company's Board's opinion, in light of the technical structure of the measure or for any other reason, application of the prescribed recalculation formulae cannot take place or results in the financial compensation received by the Warrant Holders being unreasonable compared with the shareholders, the Board of Directors shall carry out the recalculation of the Subscription Price and the number of Shares provided by each Warrant in such manner as the Board of Directors deems appropriate in order to obtain a reasonable result.

J. Rounding off

In the determination of a recalculated Subscription Price, the Subscription Price shall be rounded to the nearest ten cent (Sw. *öre*), whereby five (5) cent shall be rounded up to ten cent, and the number of Shares shall be rounded to three decimals.

K. Liquidation

In the event of liquidation pursuant to Chapter 25 of the Companies Act, no further Subscription may be effected. The aforesaid shall apply irrespective of the reasons for the liquidation and irrespective of whether or not the order that the Company be placed into liquidation has become final.

Simultaneously with the notice convening the General Meeting and prior to the General Meeting is to consider the issue of whether the Company is to be placed into voluntary liquidation pursuant to Chapter 25, section 1 of the Companies Act, the Warrant Holders shall be given notice thereof by the Company in accordance with section 9 below. The notice shall inform the Warrant Holders that Subscription may not be effected after the General Meeting has adopted a resolution regarding liquidation.

In the event the Company gives notice that it is considering entering into voluntary liquidation, notwithstanding the provisions of section 3.A regarding the earliest date for demanding Subscription, the Warrant Holders shall be entitled to apply for Subscription for Shares through exercise of Warrants commencing the day on which notice is given. However, the aforesaid shall apply only where Subscription can be effected not later than the tenth calendar day prior to the General Meeting at which the issue of the Company's liquidation is to be addressed.

L. Merger

In the event the General Meeting approves a merger plan pursuant to Chapter 23, section 15 of the Companies Act whereby the Company is to be merged in another company, Subscription may thereafter not be demanded.

Not later than two months prior to the General Meeting which is to consider the issue of approving the above merger, the Warrant Holders shall be given notice thereof in accordance with section 9 below. The notice shall contain information about the merger plan and information that Subscription may not be effected after the General Meeting has adopted a resolution regarding the merger in accordance with the paragraph above.

In the event the Company gives notice of a proposed merger in accordance with the above, Warrant Holders shall be entitled to apply for Subscription commencing the date on which notice of the proposed merger was given, provided that Subscription can be effected not later than three weeks prior to the date of the General Meeting at which the merger plan whereby the Company is to be merged in another company is to be approved.

The following shall apply if the Company's Board of Directors prepares a merger plan pursuant to Chapter 23, section 28 of the Companies Act, whereby the Company is to be merged in another company, or if the Company's Shares are subject to a buy-out procedure pursuant to Chapter 22 of the same Act.

In the event a Swedish Parent company owns all of the Shares in the Company, and the Company's Board of Directors announces its intention to prepare a merger plan pursuant to the statutory provision referred to in the preceding paragraph, in the event the final date for demanding Subscription pursuant to section 3.A above falls on a day after such announcement, the Company shall establish a new final date for demanding Subscription (the Expiry Date). The Expiry Date shall be a day within 60 days of the announcement.

M. Demerger

In the event the General Meeting approves a demerger plan pursuant to Chapter 24, section 17 of the Companies Act whereby the Company shall be demerged through part of the Company's assets and liabilities being taken over by one or more limited companies in exchange for consideration to the Company's shareholders, a recalculated Subscription Price and a recalculated number of Shares to which each Warrant provides an entitlement to subscribe shall be applied in accordance with the principles set forth in subsection E above. The recalculation shall be based on the part of the Company's assets and liabilities assumed by the takeover company.

In the event all of the Company's assets and liabilities are taken over by one or more limited companies in exchange for consideration to the Company's shareholders, the provisions regarding liquidation as set forth in subsection K above shall apply mutatis mutandis, entailing inter alia that the right to request Subscription shall terminate simultaneously with registration pursuant to Chapter 24, section 27 of the Companies Act and that Warrant Holders must be given notice thereof not later than two months prior to the date on which the demerger plan is submitted to the General Meeting.

N. Buy-out of minority shareholders

In the event a Swedish Parent company, on its own or together with a subsidiary, owns more than 90 percent of the shares and more than 90 percent of the voting rights in respect of all of the shares in the Company, and where the Parent company announces its intention to commence a buy-out procedure, the provisions of the final paragraph of subsection L regarding the Expiry Date shall apply mutatis mutandis.

If the announcement has been made in accordance with the provisions above in this subsection, Warrant Holders shall be entitled to demand Subscription until the Expiry Date. The Company must give notice to the Warrant Holders in accordance with section 9 below, not later than five weeks prior to the Expiry Date, informing them of this right and the fact that they may not demand Subscription after the Expiry Date.

If the majority shareholder, pursuant to Chapter 22, section 6 of the Companies Act, has submitted a request that a buy-out dispute be resolved by arbitrators, the Warrants may not be exercised for Subscription until the buy-out dispute has been settled by an award or decision that has become final. If the period within which Subscription may take place expires prior thereto, or within three months thereafter, a Warrant Holder nevertheless has the right to exercise the Warrant within three months after the date on which the ruling became final.

O. Cease or lapse of liquidation, merger or demerger

Notwithstanding the provisions of subsections K, L, and M that Subscription may not be effected following a resolution regarding liquidation or approval of a merger plan or demerger plan, the right to Subscription shall be reinstated in the event the liquidation ceases or the issue of a merger or demerger lapses.

P. Bankruptcy or reorganisation

In the event of the Company's bankruptcy or where a decision is taken that the Company shall be the subject of a company reorganisation order, Subscription may not take place through exercise of Warrants. Where the bankruptcy order or the Company reorganisation order is set aside by a higher court, the entitlement to Subscribe shall be reinstated.

Q. Change in accounting currency

In the event the Company effects a change in the accounting currency, entailing that the Company's share capital shall be established in a currency other than Swedish crowns, the Subscription Price shall be recalculated in the same currency as the share capital. Such currency recalculation shall take place applying the exchange rate which was used to recalculate the share capital in conjunction with the change in currency.

A recalculated Subscription Price in accordance with the provisions above shall be determined by the Company and shall be applied to Subscriptions effected commencing the day on which the change in the accounting currency takes effect.

R. Equivalent terms and conditions for companies with certificated shares

In cases where the provisions concerning recalculation refer to a record date and, at the time of the recalculation, the Company is not a Central Securities Depository Company, a comparable date used in equivalent terms and conditions for companies with certificated shares shall apply instead of the record date.

§ 9 NOTICES

Notices relating to the Warrants must be provided in writing to each Warrant Holder to an address which is known to the Company.

§ 10 AMENDMENTS TO THE TERMS AND CONDITIONS

The Company's Board of Directors shall be entitled, on behalf of the Warrant Holders, to amend these terms and conditions to the extent that any legislation, court decision or public authority decision renders necessary such amendment or where, in the Board's opinion, for practical reasons it is otherwise appropriate or necessary to amend the terms and conditions, and the rights of the Warrant Holders are thereupon not prejudiced in any respect.

§ 11 CONFIDENTIALITY

None of the Company, the Account Operator or Euroclear may disclose information about a Warrant Holder to any third party without authorisation. The Company shall be entitled to obtain the following information from Euroclear regarding a Warrant Holder's account in the Company's central securities depository register:

- a) the Warrant Holder's name, personal identification number or other identification number, and postal address;
- b) the number of Warrants.

§ 12 GOVERNING LAW

These Warrants and legal issues relating thereto shall be governed by Swedish law. Proceedings arising from this agreement shall be brought in the district court where the registered office of the Company is situated or any other forum whose authority is accepted in writing by the Company.
